

- **Mission Statement:**

The USA TITAN system focuses on drills and techniques that are successful in high school (folk style), freestyle, and greco-roman wrestling. Live and situational wrestling are an important part of our club philosophy. There will be instructional as well as live wrestling at each practice session. In addition to the listed coaching staff, other past, former champions and high school coaches are present to instruct and learn from.

- **Goals and Objectives:**

- ✚ To provide student / athletes with a safe structured environment where wrestlers can improve their competitive wrestling skills.
- ✚ Wrestlers will be taught skills directly benefiting their participation in Scholastic (folk style), Freestyle and Greco-Roman wrestling.
- ✚ Team Titan Worldwide Wrestling Club will strive to obtain (and surpass) these goals and objectives through work with other local wrestling clubs, high school and collegiate coaches, as well as national and international level wrestlers, coaches and clinicians.
- ✚ The Team Titan Worldwide Coaching Staff will attend and participate in annual coaching clinics and certification programs to enhance and improve the skills, technique and knowledge.
- ✚ Team Titan Worldwide Wrestling Club will provide club members the opportunity to compete at the local, state, regional and national level.
